

Mask E 60-S

Masking tape suitable for applications in the building, construction and car body repair industries, as well as for industrial painting and general purpose works, that don't require resistance to high temperatures (up to 60 °C for 30 minutes).

ADVANTAGES AND PERFORMANCES

- Good adhesiveness on irregular surfaces
- Residue-free removal
- Saturated paper for maximum conformability
- Compatible with the most common paints
- Removable without tearing
- Hand tearable

TECHNICAL PROPERTIES

		tolerance	test method
Adhesive:	natural rubber and solvent resins		
Total thickness:	108 µm	± 10 %	AFERA 5006
Adhesion to steel:	min. 2,0 N/cm		AFERA 5001
Tensile strength:	min. 25 N/cm		AFERA 5004
Elongation at break:	min. 7 %		AFERA 5004
Temperature resistance:	up to 60 °C for 30 minutes		
Colour:	white, yellow and brown		

The above values are the result of arithmetic averages from tests on sample productions and are not legally binding.

ARTICLES, DIMENSIONS AND BARCODES

	dimensions	pieces per box	barcode
Mask E 60-S white:	19 mm x 50 m	96 rolls	8051499031046
Mask E 60-S white:	25 mm x 50 m	72 rolls	8051499031053
Mask E 60-S white:	30 mm x 50 m	60 rolls	8051499031060
Mask E 60-S white:	38 mm x 50 m	48 rolls	8051499031077
Mask E 60-S white:	50 mm x 50 m	36 rolls	8051499031084
Mask E 60-S yellow:	19 mm x 50 m	96 rolls	8051499031268

Mask E 60-S yellow:	38 mm x 50 m	48 rolls	8051499031299
Mask E 60-S yellow:	50 mm x 50 m	36 rolls	8051499031305

OUR PROPOSAL OF PACKAGING

- Sleeve with B/W or coloured (up to 5 colours) barcode label
- Harmonica
- Tower

RECOMMENDATIONS

It's a good rule to use the product within 6 months from purchase, because the unwinding force of the tape increases with time. The product must be stored in its box in a dry location protected from sunlight, at about 15 °C - 25 °C and 50% relative humidity. If stored in different conditions, the product must be reconditioned. After application, the removal of the tape must be done slowly without tears. Before applying the tape, always check if the surface is clean. Euromask disclaims any liability for any direct or indirect damage coming from the misuse of the product. Under normal conditions, the tape is not toxic and is not approved for medical use.

The a.m. values may be changed at any moment for production needs or technical updates.
